

## **Terms and Conditions of Provision and Use of the ŠMO5 Raster Products**

### **The Provider:**

**Geodetic and Cartographic Institute Bratislava (GKÚ)**, Chlumeckého 4, 827 45 Bratislava,

### **The User:**

Is a natural or legal person who obtains the required ŠMO5 Raster Products.

### **Terms and Conditions of Provision and Use of the ŠMO5 Raster Products:**

1. ŠMO5 Raster Products are provided in raster form via the ZBGIS® Map Client application using the Data Export function in the [Archive](#) theme. It is possible to export a maximum of 20 map sheets at a time, which extend into the map window of the application. Product specification is available [here](#).
2. The Provider shall not be liable for damages caused by improper use of data or for other damages that may be caused by the transmission of a computer virus or other malicious computer programs.
3. No oral or written information provided by the Provider's employees to the User shall create new guarantees and in any way shall increase the Provider's liability.
4. The Provider shall not be liable for any deterioration in quality or scope or other restrictions in the provision of data or any interruption in the provision of data caused by force majeure.
5. The provision of data may be limited for reasons pursuant to § 10 et seq. of the Act no. 3/2010 Coll. on the National Spatial Data Infrastructure as amended and § 21 sec. 4 and 5 of the Act no. 215/1995 Coll. on Geodesy and Cartography as amended.

### **Use of the ŠMO5 Raster Products:**

1. The User is entitled to use this data when creating his/her own work.
2. The User acknowledges that Copyright is protected in accordance with the relevant provisions of Act no. 185/2015 Coll. Copyright Act as amended, as well as Act no. 300/2005 Coll. Criminal Code as amended. Misuse of data by the User can therefore have serious civil as well as criminal consequences.
3. When creating and publishing his/her own work the User is obliged to indicate the source of the ŠMO5 Raster Products in the form "**GKÚ Bratislava**".
4. In case of creating a new cartographic work using this data, the User is obliged to notify the Provider of the name and date of its publication and proceed according to the Act no. 215/1995 Coll. on Geodesy and Cartography as amended.
