

Terms and Conditions of the Provision and Use of Airborne Laser Scanning Products
(hereinafter referred to as "ALS Products")

The Owner:

Geodesy, Cartography and Cadastre Authority of the Slovak Republic (ÚGKK SR) is the central state administration body for geodesy, cartography and cadastre.

The Provider:

Geodetic and Cartographic Institute Bratislava (GKÚ), Chlumeckého 4, Bratislava

The User:

It is a natural or legal person who obtains the required ALS Products.

ALS Products:

1. Classified Point Cloud
2. Digital Terrain Model (DTM 5.0)
3. Digital Surface Model (DSM 1.0)

Terms and Conditions of Provision and Use of the ALS Products:

1. The ALS Products are provided to the User free of charge.
2. The User is entitled to combine the ALS Products with other data, use them in the creation of his/her own work for commercial and non-commercial purposes, publish the work on the Internet, transform and modify the ALS Products, citing in other works.
3. The User is obliged to state the source of the ALS Products while creating his/her own work and when publishing it as follows: „ÚGKK SR“.
4. Copyright is protected under the relevant provisions of Act No. 185/2015 Coll. Copyright Act as amended, as well as the Criminal Code. Therefore, misuse of data by the User can have civil or criminal consequences.

The User acknowledges and at the same time agrees with the following conditions:

1. The Owner and Provider shall not be liable for errors resulting from modification of the ALS Products.
2. The Owner and Provider shall not be liable for damages caused by misuse of the ALS Products and incorrect or unprofessional interpretation of the ALS Products or for any other damages.
3. The User may not further reproduce and distribute the ALS Products in their original (delivered) form through any medium.
4. The User will report any deficiencies found in the ALS products to the Provider.

Bratislava, 18 February 2021
