Terms and Conditions of Provision and Use of Orthophotomosaic Source Data (hereinafter referred to as "Source Data")

The Author:

1. **Geodetic and Cartographic Institute Bratislava (GKÚ)** is a budgetary organization established by the state. GKÚ is a subordinate organization of the Geodesy, Cartography and Cadastre Authority of the Slovak Republic.

2. **National Forest Centre (NLC)** is a contributory organization established by the state. NLC is a subordinate organization of the Ministry of Agriculture and Rural Development of the Slovak Republic.

The Provider:

Geodetic and Cartographic Institute Bratislava, Chlumeckého 4, Bratislava

The User:

It is a natural or legal person who obtains the required Source Data.

Terms and Conditions of Provision and Use of Orthophotomosaic Source Data:

1. Source Data is provided to the User free of charge.
2. The User is entitled to combine the Source Data with other data, use it in the creation of his/her own work for commercial and non-commercial purposes, create a new work, publish the work on the Internet, publish the Source Data as a base map, publish the Source Data in connection with other data/thematic layers through web apps.
3. The User is obliged to provide the name of the Author of the Source Data when creating his/her own work and when publishing it as follows: **"GKÚ Bratislava, NLC".**
4. Copyright is protected under the relevant provisions of Act No. 185/2015 Coll. Copyright Act as amended, as well as the Criminal Code. Therefore, misuse of data by the User can have civil or criminal consequences.

The User acknowledges and at the same time agrees with the following conditions:

1. The Provider shall not be liable for errors resulting from modification of the Source Data.
2. The Provider shall not be liable for damages caused by misuse of the Source Data and incorrect or unprofessional interpretation of the Source Data or for any other damages.
3. The User may not further reproduce and distribute the Source Data in its original (delivered) form through any medium.
4. The User may not modify or alter the Source Data for any purpose (commercial or non-commercial).

Bratislava, 11 April 2018
